FENSTECH UPVC Profiles Catalogue

FENSTECH[®] UPVC window and door systems offer a lifetime of style, strength and security in a range of customized contemporary designs. Our profiles are designed to match extreme tropical conditions and are tested, conforming to the most stringent benchmark. Our profiles have natural and delicate texture with smooth & premium finish, they give fine and pleasant appearance. With excellent anti-ageing performance and appealing aesthetics, they will redefine your home and office environment. Our profiles come in White, Ivory White and laminated Golden Oak colors.

White

Ivory White

Golden Oak

FENSTECH[®] profiles undergo a rigorous in-house and third-party testing. They are tested for impact resistance, color, gloss, dimensions, weld-ability and other critical factors. This ensures unbeatable performance and incredible durability. Our profiles are UV Resistant, Weather Resistant, Fire Resistant, offers Thermal and Sound Insulation. All our profiles are Lead FREE and environment friendly. All these benefits come with extremely low maintenance and **15 years Warranty**.

FENSTECH[®] UPVC window and door systems are perfect for all kinds of Window and Door Systems
